

MIAMI BY SAIL STEPS TO A SAFETY AND HEALTHY TRIP

We are excited about reopening our trips and even more excited to make your experience safe and healthy for a fully enjoyment of your sailing time.

Let's share with you what can expect as we move into the new healthy normal:

- Exterior of the boat is clean with soap and water from bow to stern right after each trip
- Interior of the boat is disinfected with UV-C light in between trips.
- Outdoor seats and exterior cushions are disinfected with UV-C light after each trip
- Tablecloth is washed with water and soap after each trip
- In addition the interior floor is mopped with alcohol, all handles are cleaned with Lysol.
- Bathroom is cleaned with water and soap after the UV-C exposure and finished with alcohol at the end
- New soap bar, toilet paper roll, and napkin package for each trip.

Note that Dinner Key Marina has made mandatory that you wear mask to enter the Pier. In addition you shall wear mask while you are in the cockpit while in the trip.

Thank you and we look forward to provide you with a memorable, healthy and safe trip.
